

SAGE Newsletter

Summer 2022

Happy Summer!

Due to the ongoing COVID-19 pandemic, the University of Guyana's academic schedule remains a bit delayed. Convocation ceremonies for 2021 graduates were held in February 2022, and the spring semester just wrapped up in July.

In this edition of our newsletter, we highlight the two SAGE Scholars who completed their studies in 2021 and participated in February's ceremonies: [Reuel Sookdeo](#) and [Tejyas Dasa Singh](#).

Our 2021 Graduates

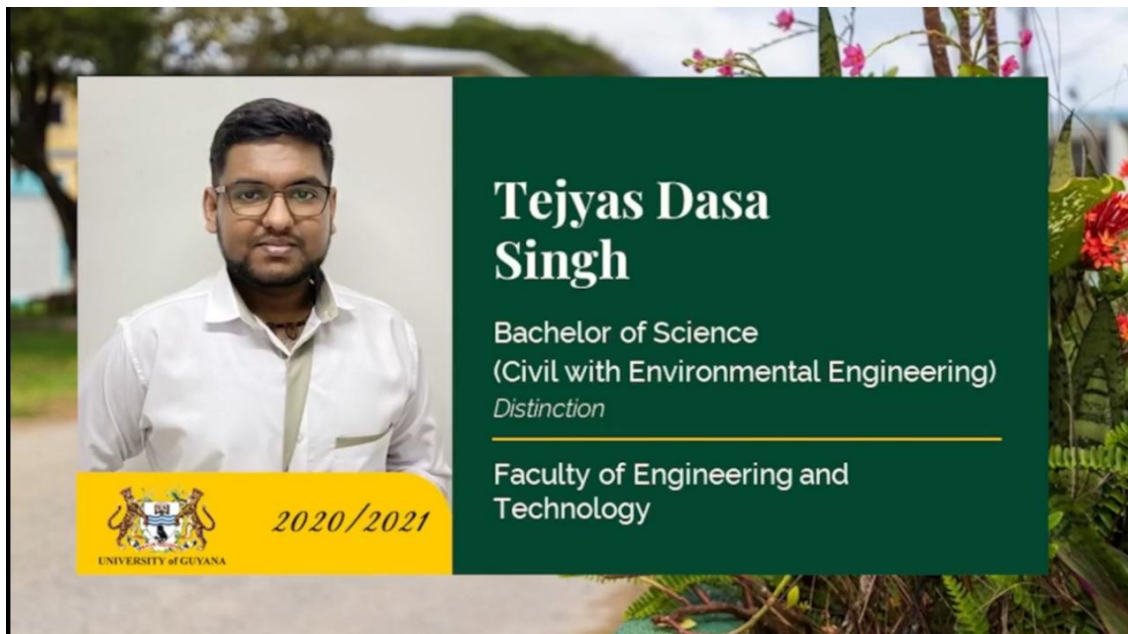

2020/2021

Reuel Sookdeo

Bachelor of Science (Electrical Engineering)

Credit

Faculty of Engineering and Technology

Reuel Sookdeo became a SAGE Scholar in 2016 and studied Electrical Engineering. In describing his experience Reuel said, "Being a SAGE scholar is a dream come true. I am forever grateful to SAGE [for] the contributions you made towards me; I cannot express enough." Reuel is now employed as a Field Engineer with VNet Communications, which provides information and communication technology services and sustainability solutions.

Tejyas Dasa Singh was also named a SAGE Scholar in 2016 and studied Civil with Environmental Engineering. According to Tejyas, "Being a SAGE scholar was truly an honor. I consider myself to be very fortunate and it really means a lot to me." Tejyas is currently pursuing an online master's in Construction Technology and Management at the Indian Institute of Technology Bombay.

We wish these two talented young engineers the best as they begin their careers and work to put their passion for science and technology into action.

Support SAGE!

SAGE began in 2009 and supports scholars every academic year at the University of Guyana. To date, **26 deserving students** have received full scholarships to pursue a wide range of majors.

SAGE Scholars are selected based on their academic record and dedication to making a positive impact in Guyana.

To help talented students like Reuel and Tejyas, consider making a contribution to support our important work! Click [HERE](#) to learn more about how you can support SAGE.
